Summary: Gimme some prompts and I promise i'll get it done when i have the time, quickly and swiftly, but still well done... hopefully

Prompts

Okay Guys

I've thought about doing this for a very very long time

I'm gonna take in prompts

I see a lot of people with very interesting plot points and I would love to make little one shots about the story, and maybe even develop them into a full blown story someday... so please do send me some prompts because I promise i'll try and do them all
